

## HOQUAT NEWS DECEMBER 2005

Welcome to our web site.

Free shipping and 10% gift certificate offers end December 31. Take advantage of these deals now!

News: American Models has advised us that they are all out of AF Northerns and only have a few scale versions available. We ordered half a dozen various different engines, but only have a scale undecorated, a LV AF w/limited sound and a LV scale left.

SHS: Has received the snow covered Christmas coal loads and they are now available from us. Nice touch for your SHS hoppers around the tree. They fit all SHS hoppers: panel, USRA, composite and offset: \$5.95 each. The Christmas cars are expected to arrive the week of December 5<sup>th</sup>. SHS has announced that they are sold out, but we have some on order so you can still get them through us. Waddell Coal (very limited quantity), Pennsylvania, and C&O hoppers also due in the same week.

Visit and/or call us. We have got our new store front pretty well set up for operations and visitors. We have a small SHS operating layout up, but still in need of scenery, and our sign still needs to go up on the building. Parking is somewhat limited. For December we plan to be open Tuesdays between 3:00PM and 7:00 PM, and Saturday mornings 9:00 – Noon. We will expand our evenings at the shop after December 15<sup>th</sup> when the semester ends at the local community college (I'm teaching two evenings a week right now). Call to check and get directions if you would like to come down. Our number is (732) 752-0707. Our Location is 704 Bound Brook Road (Route 28 West), Dunellen, NJ 08812, in the same building as the International Deli.
