Spring 2008 Newsletter:

We are working to get our web pages updated to include new items and to update for price increases by several manufacturers. If we have something in this newsletter, or in our catalog that you want, please feel free to put those items in the comments section on your internet orders. We have some, but not all prices updated. Until we get the prices updated, there are quite a few items that are below current market price. Until we get the prices changed, we will continue to sell internet orders at the prices listed on the site.

Current store hours are Wednesday 10AM-3PM, Friday 1PM-6PM and Saturday 9AM-noon. Give us a call (732) 752) 0707.

New Items:

American Models:

Back in stock:

Heavy weight passenger cars: New York Central and Lackawanna cars are available again. \$319.95 for the 5 car set, extra coaches \$64.95 each

Budd passenger cars: Burlington and Santa Fe (silver) sets are available \$319.95 for the four car sets. Additional coaches for Santa Fe are \$83.95, additional coaches for Burlington are currently on sale for \$49.95.

American Models has also discovered some old smooth side light weight passenger car kits. Most are undecorated, some are painted but not lettered. Coaches do not have the window inserts. Coaches are \$46.95, other cars with window inserts are \$49.95

Des Plaines Hobbies

Steel refrigerator and Gunderson stack cars have arrived. or any ACF hopper for \$250 (normal retail \$269.88). Order any twelve ACF hoppers or steel refrigerator cars for \$485. Order any 3 Gunderson cars for \$44.98 each and get any six containers for \$20.00 each. A note for AF operators on the Gunderson cars: the cars come with body mounted couplers that will not allow the cars to negotiate a 20" radius (i.e. AF) curve. We can modify the cars to correct this for people who request it. Also, the lower container will need to be trimmed on the bottom on each end, because the flanges of the high rail wheel sets will hit the end of the containers when they pivot.

Grand River Models

Grand River's first entry into S is now in: Greg's Grocery - \$119.95

Pine Canyon Scale Models

Back Alley 4 is now in stock for \$129.00.
